## **2018 DIRECTORY OF COMMUNITY SERVICES**

**Information & Assistance  
1-866-836-6678**

## PREFACE

The purpose of this directory is to identify the various services that exist in the eight counties of Northeast Tennessee (Carter, Greene, Hancock, Hawkins, Johnson, Sullivan, Unicoi, and Washington). This directory is a service of the First Tennessee Area Agency on Aging & Disability in an attempt to help identify existing services and assist agencies. Information about the Area Agency on Aging & Disability and its programs is included on the following pages. Area listings are provided as a source of information and should be carefully evaluated by interested parties as FTAAAD does not certify, support, or advocate any facility as a prerequisite for being listed in this directory.

**If the information about your agency changes, please do not hesitate to let the Area Agency know so that the Directory can be updated. You can either mark the changes on the enclosed form and send it to us or call 423-928-3258.**

Publication date 4/19/18

This directory is provided in part through funds from Title III of the Older American's Act of 1965, administered through the Tennessee Commission on Aging & Disability, by the First Tennessee Development District, Area Agency on Aging & Disability.

No person shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.

## FIRST TENNESSEE AREA AGENCY ON AGING & DISABILITY

E-MAIL – [request@ftaaad.org](mailto:request@ftaaad.org)

WEBSITE: <http://www.ftaaad.org>

The First Tennessee Area Agency on Aging & Disability (FTAAAD) is part of a nation-wide system of agencies which were created as a result of the 1973 amendments to the Older Americans Act of 1965. An important role of the FTAAAD is to identify community and social service needs and to assure that they are available to people 60 years and older and to adults with disabilities in the communities where they live. The First Tennessee service area includes Washington, Greene, Johnson, Hawkins, Hancock, Carter, Sullivan and Unicoi counties. Through a contract with the Tennessee Commission on Aging & Disability for Title III Older American Act Funds and State Funds, the FTAAAD provides the following services directly:

### **INFORMATION & ASSISTANCE**

Information and Assistance (I & A) Services are designed to inform, guide, direct and link adults age 60 and older and adults with disabilities to needed and available resources.

### **SERVICE COORDINATION/CASE MANAGEMENT**

The FTAAAD recognizes that many people want to remain in their homes as long as possible, but may need help with basic household tasks. Some may also have other needs which will help prevent or delay premature institutionalization. Service Coordinators will make home visits to adults 60 years or older and adults with disabilities, assess the individual's needs, develop a plan of care which will enable that person to remain at home, authorize services, follow up to assure services have been received and conduct reassessments to determine continued need.

### **CHOICES PROGRAM**

Tennessee's Home and Community Based Choices Program is intended to provide a community based, cost effective alternative to institutional nursing facility care for eligible adults. An array of services are available for those who meet program requirements.

### **AGING & DISABILITY RESOURCE CONNECTION (ADRC)**

ADRC enhances FTAAAD by building on existing services and networks that will streamline access to long term care services. The strategy utilized by ADRC is "single point of entry" to ensure older individuals and adults with disabilities obtain the resource information required to access an array of services that promotes their independence in the community.

### **OPTIONS FOR COMMUNITY LIVING**

Options provides support services for older persons and other adults with disabilities who do not have services available to them from other programs. It is designed to assist individuals with functional limitations to remain independent at home through a variety of supportive in-home services. Services provided include home delivered meals, personal care, and homemaker services.

### **STATE HEALTH INSURANCE PROGRAM (SHIP)**

Insurance counseling and assistance is provided to persons on Medicare, Medicaid, and Supplemental Private Insurance and Prescription Assistance by trained counselors.

## **SMP**

Tennessee SMP's mission is empowering seniors to prevent healthcare fraud. The program uses local volunteers to educate Medicare beneficiaries about how to take an active role on the detection, prevention and reporting of healthcare errors, fraud and abuse.

## **PUBLIC GUARDIANSHIP**

The Public Guardianship for the Elderly Program is designed to aid persons 60 years of age and older who are unable to manage their own affairs, and who have no family member, friend, bank or other agency willing and able to act on their behalf. People are assigned to this program by the courts.

## **FAMILY CAREGIVER SUPPORT PROGRAM**

The Family Caregiver Support Program will provide support to family caregivers of any age providing care for an older family member. Services that can be provided include: information about the availability of support services, assistance in gaining access to services, individual counseling to help make decisions and solve problems, in-home respite care, and supplemental services, such as home delivered meals, personal care, homemaker services, and minor home modifications.

The FTAAAD provides funding for the following services:

## **LONG TERM CARE OMBUDSMAN**

The Long Term Care Ombudsman serves as an advocate for elderly residents of all long-term care facilities. The ombudsman's responsibility is to help resolve complaints against facilities and to ensure that clients' rights and benefits are protected.

## **LEGAL SERVICES**

Legal Services provides legal advice and representation to help people 60 and over to secure and maintain public benefits, to resolve consumer problems and other situations requiring the intervention of an attorney.

## **NUTRITION PROGRAM**

**Congregate Meals** are offered at noon, five days a week, at each of the 17 meals sites within the eight county area. Each meal provides 1/3 of the Recommended Dietary Allowance and, although no one is denied a meal for inability to pay, contributions are encouraged. The congregate meals program also provides an opportunity for socialization.

**Home Delivered Meals** that provide 1/3 of the Required Daily Allowance are delivered five days a week by volunteers to the frail elderly and younger adults with disabilities who have been assessed by the ADRC.

## **SENIOR CENTER SERVICES**

Senior Centers are designed to enhance the quality of life of older people, supporting their independence and encouraging their involvement in the community. Activities and services include: Health Education and Screenings, Physical Fitness, Recreation, Transportation, Information and Assistance, Telephone Reassurance and Friendly Visiting. The senior centers serve as multi-purpose community focal points for older people.

## **TRANSPORTATION**

Transportation is available by calling a senior center twenty-four hours in advance. A nominal fee is charged for trips from home to the senior center and for intermediate stops at grocery stores, drug stores, etc.

Please help us keep your directory information current by sending updates or changes to us.

## Medicare Savings Programs

### What is a Medicare Savings Program?

Qualified Medicare beneficiaries may get help paying for their Medicare Part A and Part B premiums, deductibles and coinsurance through Medicare Savings Programs.

There are three different programs that are based on income and resource guidelines:

### Qualified Medicare Beneficiary (QMB) covers:

Payments for Medicare Part B premiums (and payments for Part A premiums when applicable)  
Coverage for Parts A and B deductibles and coinsurance

#### Criteria

Single individual: \$1,032 monthly income and \$9,060 resources  
Married couple: \$1,392 monthly income and \$14,340 resources

### Specified Low-Income Medicare Beneficiary (SLMB) covers:

Payments for Medicare Part B premiums

#### Criteria

Single individual: \$1,234 monthly income and \$9,060 resources  
Married couple: \$1,666 monthly income and \$14,340 resources

### Qualifying Individual-1 (QI-1) covers:

Payments for Medicare Part B premiums (as long as state has funds)

#### Criteria

Single individual: \$1,386 monthly income and \$9,060 resources  
Married couple: \$1,872 monthly income and \$14,340 resources

*Note: These income and resource levels are based on 2018 Federal Poverty Level Guidelines. \$20 unearned income disregard is included in these income figures and \$1,500 is included in these resource limits for burial assets per person. CHOICES recipients do not qualify for QI-1.*

---

**To Apply for a Medicare Savings Program, contact  
SHIP at 1-877-801-0044.**

# Extra Help Program

## What is Extra Help?

Extra Help is a program that can help lower the costs of your Medicare drug plan by reducing your plan premiums, deductibles and drug copays.

## What are the income and resource guidelines?

	Income	Resources
Single	\$1,518	\$14,100
Married	\$2,058	\$28,150

## How do I apply for Extra Help?

Contact SHIP at 1-877-801-0044. Applications are also accepted at all Social Security offices and online at [www.socialsecurity.gov](http://www.socialsecurity.gov).

*Note: These income and resource levels are based on 2018 Federal Poverty Level Guidelines. The income limits listed include the amount of your Medicare Part B premium. However, there are other income exclusions that may be applied to your income.*
